

EDGE STACKER

**MOVE AND STACK PALLETS
MORE QUICKLY AND EASILY.**

Ideal for light-duty applications, the 2,600 lb. capacity, lithium-ion-powered Edge Stacker gives you a highly maneuverable, productive stacker capable of lifting loads as high as 140”

User and application friendly, the Edge Stacker features electric lift, lower, and travel to increase operator productivity, as well as adjustable base legs to suit multiple pallet sizes and aisle widths.

IDEAL APPLICATIONS:

- + LIGHT-DUTY GENERAL MATERIAL HANDLING
- + STACKING
- + PALLET HANDLING IN TIGHT AREAS

PRODUCTIVITY

- + Electric travel, lift, and lower enhance productivity.
- + Lithium-ion battery offers fast charging and long run times.
- + Opportunity charging keeps the trucks on the floor.

MANEUVERABILITY

- + Turtle Speed Button simplifies handling in tight spaces.
- + Creep mode allows travel with handle in vertical position.
- + Dual thumb controls offer comfortable operation for left- or right-handed users.

SECURITY

- + PIN code access requires no key and prevents unauthorized use.
- + Reduced speed in turns minimizes truck, product, and facility damage.
- + Load backrest (standard) enhances load stability and handling.
